Dear District Court Clerk

First of All I am Richard Lewis Johnson 02122-78
and A State of North Carolina Prisoner in Custody At Albemarle
Correctional Institution At Badin North Carolina inside
of Stokes County I been told.

But I am not from this Area of the State and live in
Madison County At Hot Springs and 76 yrs old and been in
this State Prison System for the last 40 yrs on one Life
Sentence and been to 5 different Prison Units over the
State in the past 5 months or so and maybe down to
Transfer Again soon and that is why I am a little
mixed up into what U.S. District Court I shall file
At to Start With Because Started out in the Eastern
District in Dec 2023 and been up in the Western District
and this one to.

But At the Same time with my Medical Chronic
unstable Head Condition, Because do have other to go
bad and do belong to the Federal Americans with
Disabilities Act And in A Wheelchair And down As
A Medical Handicapped with A Handicapped Cell and All.

So with All of this Clerk if you think The Middle
District Court would be the Right one here in North
Carolina Please than Sent me Please All the Forms
I would need to fill there with and the Form on me
Not having the funds or money to pay your Filing Fee
And your Middle District Rules and All on filing
there.

But if it is not and I would understand All the
Main State Offices Are in Raleigh with the Eastern
District. But I am from the Western District in my
Area of the State and can All these Cases and Matters
Come into one is why Am Writing there.

But the next best thing I have got on my side if
I could get the U.S. Dept of Justice Civil Rights Division
With the A.D.A. matters to step in and handle All
of this and get things back in line and All with the
proper Standard Care Of the State Could discharge me
from Custody with having enough time in for two 20
yrs life Sentence day by day and would be able to get
my own Medical Care and Treatment my self.

Because the State having problems with Staff does not come under my Legal Responsible OR Change what the Federal U.S. Constitution Call for As long As I am in Custody of State of North Carolina and other State Constitutional Rights with the State to and Federal Acts like A.D.A. Legal Rights At the same time and each time my Federal Constitutional Rights have come up all I been getting was A Transfer to Start All over Again and All. Because Right now got the Big State & Federal Election Coming up Nov 5, 2024 and All. But not looking for Promises At All. Just wanted to see some action.

Because North Carolina Prison System Head Count shall be took down over the State to they had enough Staff for Security Reasons and enough Medical to Cover what Medical Prisoners they wish to keep and back in the end of the 1980 or first of the 1990 Governor out of Charlotte did a Emergency Act to lower the State Prisoner Cap and think it was over money and funds they didn't have. But this time ones in Power or trying to become in Power has stated All the extra money they do have on hand At this time and All. But they still want to Cut Back and hold on to the money people had to pay in to be used but to they have been getting Federal Funds to and that is crazy with the State sitting there holding back state funds and All At the same time.

But in General to that is what I am going for and would think with you there in A Federal Public Office of the Court you would have proper Legal Address where to write to get up with U.S. Federal Dept of Justice offices here in the State if they are who does work on A D A Federal Act laws like I have just name OR the Office for the main Federal Attorney now for this State of North Carolina OR what.

But Thank you very much by just reading this and Thank you another for any assistance you would be able to come up with.

But at the same time Please For Give me if I have step over the line. Because in this do not know what powers OR rules you have to need to go by or what.

But Thank you again for your
Please understand But just looking for Justice and
will not be able to No More At All.
